

General Info

There are 2 Dressing rooms all with mirrors, rails, wash hand basins, toilet and showers.

The Green room has Microwave, kettle and a fridge.

There is a washing machine and dryer.

We normally provide 1 house technician for up to 8 hours to assist with get-in, and 1 technician for the get-out. Additional technical cover will be charged for. We do not provide a sound engineer, however a member of our technical staff is available to help with set up. If time permits we will pre rig lighting, if you need us to colour we will charge for colour gel at cost.
